### Comments

- Asterisks denotes newly-funded groups
- Total Student Activity Fee increase as proposed would be a growth rate of 2.90% per year from 2008-2010 to 2010-2012, below our guideline of 4% per year growth, and below the request rate of increase of 5.96% per year
- 15 groups were recommended to receive increases from their current funding level, 10 groups were kept at their current funding level, and 5 groups were reduced in funding, including Students Helping Students, which decided not to seek By-Line Funding for this funding cycle
