

Organization	Collegiate Readership Program
2012-2014 Allocation	\$6.00
2014-2016 Request	\$6.00
Appropriations Recommendation	<b>\$6.00</b>

Rationale of the Committee

The Committee is pleased to fund the Collegiate Readership Program at \$6.00/student for the next byline funding cycle. Committee members felt the program was valuable for undergraduate students and wished to see it continue into the future. The Committee would encourage CRP to work closely with the SA next semester to increase the proportion of New York Times available on campus. In addition, Committee members hope to continue to see increased avenues for online content made available through the program.

Vote Totals

The Committee votes down, from the highest number proposed to the lowest, to give the group the advantage. The vote totals from the Committee were as follows:
