

Organization	CUEMS
2012-2014 Allocation	\$3.90
2014-2016 Request	\$3.90
Appropriations Recommendation	\$3.90

Rationale of the Committee

The Appropriations Committee recommends funding \$3.90 for the 2014-2016 By-Line Funding Cycle. The Committee felt that EMS manages its organization and finances well and that it should be funded at the requested amount. Committee members appreciate the use of the summer term to perform training, but feel that EMS should not greatly increase resources used to patrol during the summer months due to the lack of students in Ithaca during that time. Overall, CUEMS plays an essential role on the Cornell Campus and the Committee believes they will continue to flourish at the requested funding amount.

Vote Totals
