Student Assembly R. 79: Updating United Student Body

Sponsors: Noah Tulsy and Ulysses Smith on behalf of Max Weisbrod (msw242)

Propose on April 29th, 2014

1 Updating United Student Body
2
3 Whereas United Student Body (USB) was passed last year with the intent of addressing
4 problems related to campus climate and diversity and inclusion,
5
6 Whereas USB's first year of implementation revealed a number of shortcomings in addition to
7 instances of positive change,
8
9 Whereas it is the responsibility of the SA to ensure that all of its policies are as effective as
10 possible and to reevaluate them when necessary,
11
12 Whereas the addition of many new organizations to USB will overwhelm the current processes,
13
14 Whereas the written components of the DIP review process fell under harsh criticism from a
15 number of the organizations,
16
17 Whereas a number of organizations failed to follow the USB requirements,
18
19 Be it therefore resolved that the Student Assembly approve the changes to USB as outlined in
20 the appendix.
21
22 Respectfully submitted,
23
24 Noah Tulsy, VP of Diversity & Inclusion
25 Ulysses Smith, President
