S.A. Resolution # 15 Special Projects Funding: EzRoots

Sponsored by: Matthew Stefanko '16

Whereas, Section VII, Rule 3 of the Standing Rules states that, "The Student Assembly may choose to fund any project, program or service through SA Special Projects that it deems to improve the quality of undergraduate student life or further the goals of the SA. Special Projects funding is a type of category spending."

Whereas, the Appropriations Committee deemed that the EzRoots concert would provide significant value to the Cornell undergraduate community and give students the ability to engage with multiple student groups that they might not otherwise be able to.

Be it therefore resolved, that EzRoots be granted a Special Projects funding allocation of \$1,500.00.

Respectfully Submitted,
