S.A. Resolution # 18 Special Projects Funding: Ivy Leadership Summit

Sponsored by: Matthew Stefanko '16

Whereas, Section VII, Rule 3 of the Standing Rules states that, "The Student Assembly may choose to fund any project, program or service through SA Special Projects that it deems to improve the quality of undergraduate student life or to further the goals of the SA. Special Projects funding is a type of category spending."

Whereas, the Appropriations Committee deemed that the Ivy Leadership Summit would provide value to some members of the Cornell undergraduate community and provide other students the opportunity to engage via the internet

Whereas, the Appropriations Committee felt that funding the speaker of the event, David Price, provided direct impact to students and was the least dispensable portion of the event

Be it therefore resolved, that the Ivy Council be granted \$340 in Special Projects funding

Respectfully Submitted,

Matthew Stefanko '16
President, Student Assembly
