11 **Whereas**, the Student Assembly has made increased transparency a core goal for the 2014-
12 2015 academic year,
13

14 **Whereas**, community attendance at Student Assembly meetings could be improved by
15 describing to-be-discussed topics in plain language ahead of time,
16

17 **Whereas**, short summaries of resolutions could facilitate outreach by individual
18 representatives to their constituencies,
19

20 **Be it resolved**, that a 10th rule be added to *Section II: Agenda Setting Policies and*
21 *Procedures* of the Standing Rules stating “a short descriptive blurb of approximately 25
22 words will be submitted by sponsors of resolutions before committee approval”,
23

24 **Be it further resolved**, that excess copies of the agenda and of resolution language being
25 debated be made available at Student Assembly meetings,
26

27 **Be it finally resolved**, that these blurbs will be disseminated widely alongside the agenda
28 wherever the Student Assembly agenda is reported.
